

Dollars in Motion Committee

The NDTC Dollars in Motion Committee was established to review all donation requests presented to the company. The committee, made up of NDTC employees, are charged with reviewing each request and maintaining a balance between the requests and the funds available to support those requests.

NDTC's mission is to provide quality competitive communication services, which enhance the quality of life for those we serve. Being able to grant donations is an added bonus for NDTC to give back to the community it serves.

NDTC donated over \$50,000 in 2008 toward scholarships, economic development activities, and community programs.

Request Guidelines

NDTC Commitment

NDTC has prided itself in assisting community needs throughout its service area. As an investment in the future of the area citizens, NDTC has historically supported programs and projects that encourage youth, build communities through partnerships, and in education.

NDTC typically participates in and assists with community projects, school activities, local government, economic government, and some non profit activities.

Each year NDTC offers the College Scholarship Program awarding thousands of dollars to area graduating seniors.

NDTC employees also generously give of their time and resources where they live, raise their families, work, and play.

Not only does NDTC offer high quality service at an affordable rate, it takes pride in bringing employees, businesses, and organizations together for the improvement of the quality of life.

Dollars in Motion Requests

Each request is reviewed individually and donations will be granted on a case by case basis. To be considered for a Dollars in Motion request, application forms must be complete, legible, and submitted to NDTC prior to the event. NDTC does not donate to past events. The Dollars in Motion committee meets at the beginning of each month and reviews requests that have been received by the first of the month.

It is our experience that all requests are for a good cause, however, NDTC generally does not contribute to:

- ◆ Individuals/groups/organizations that do not reside within NDTC exchanges.
- ◆ Benefits/fundraisers for individuals.
- ◆ Organizations of primarily religious or political focus.
- ◆ Private business.
- ◆ Business / agency / organizational employee events (ie, Christmas parties, company/employee picnics).
- ◆ Sponsorships of sporting teams.
- ◆ NDTC does not donate operational costs or recurring services such as Internet, TV, telephone, web hosting, etc.
